Dear Valued YANG MING Customer:

EC4: MV YM ESSENCE 075E

This is to inform you that MV YM ESSENCE 075E deployed in our Far East – East Coast Loop 4-EC4 service, reported that there were crews tested positive for COVID-19 while on the way to Yantian, China. The affected crews were immediately isolated and necessary measures were taken with crew change in Kaohsiung. Vessel completed cleaning and sanitization. All crew members are also taking necessary precautions. As of now, the vessel has safely arrived and berthed in Yantian on June 7, 2022, and departed on June 9.

We regret the inconvenience and expected vessel delay caused by the incident which remains beyond our control.

For schedule arrangement, please find YM Essence’s updated port rotation after calling Yantian, and subject to change:
