

Customer Advisory - Suez Canal Incident Situation (20210329)

29 March, 2021

Dear Valued Customers,

We would like to inform you that since Suez Canal has been stuck for several days, it's been decided to implement "Cape of Good Hope Diversion Plan" as the contingency action for some vessels to minimize the impact.

Please refer to the file attached for more details. For the latest sailing schedule, kindly check YM official website.
