

NOTICE

■ Customer Notice – MOL EMISSARY 044W

JAN 6, 2022

Dear Valued Customers,

Further to our Customer Advisory dated January 3, 2022, MOL Emissary is in Los Angeles for inspection and necessary repairs, after experiencing rudder issue.

The vessel is currently expected to berth at Yusen Container Terminal (YTI) in Los Angeles for cargo discharging operations on or around January 6, 2022, subject to changes. Subsequently, the vessel is to proceed for necessary repairs before departing Los Angeles and continue with her voyage.

All cargoes onboard are working and are being monitored regularly.

Further details regarding the vessel's schedule will be provided later as it becomes available.

We regret the inconvenience caused and thank you for your understanding in this regard. Should you have any questions please contact Yang Ming local offices or your sales representatives for additional information.

Thanks and best regards,

Commercial Group
