27<sup>th</sup> December 2019 – Main Engine blackout in Bosphorus strait**

Dear Valued Customers.

General Average adjusters have issued the General Average adjustment dated 26 February 2021, which can be viewed or downloaded from the following adjusters' casualty website:

Website: [www.rhlq.com/clients](http://www.rhlq.com/clients)

Select Vessel's Name “SONGA IRIDIUM” from the dropdown menu and enter the password, which is “iridium27”.

The cargo interests can expect to receive adjusters' email notices advising individual amount of the general average contribution due to be paid in terms of the Adjustment. For those insured cargo interests where their cargo insurers have provided general average guarantees to adjusters, only their cargo insurers will receive the adjusters' email notices and no further action will be required from them at this stage. For those uninsured cargo interests who have remitted cash deposits as GA security to adjusters, they are requested to sign Letter of Indemnity and provide bank details to enable the adjusters to proceed with the refund of the deposit balance in due course.

Please send any questions to [GreaterChina.Security@ctcplc.com](mailto:GreaterChina.Security@ctcplc.com) in respect of the above process.

Thank you all for your kind cooperation and patience on this matter.

Thanks and best regards,
