

Dear Valued Customers,

We are pleased to announce that Yang Ming has introduced the LINE BOT service for providing needed information via LINE instant messaging software.

Just turn on LINE to scan QR code and join us .

Functions currently available on Yang Ming LINE BOT Global include: cargo tracking, vessel tracking, point to point search, agent and office information, other services and contact us .

Besides, customer can also type container No. or BL No. for cargo tracking and type country code or name for searching information of YM agent.

Yang Ming has dedicated to develop and promote our e-commerce service for years. Should you have any requirement, comment or suggestion about our e-service, please feel free to email us at cs@yangming.com.

Thanks for your continuous support to Yang Ming Marine Transport Corp.
