ADDITIONAL VERIFICATION IN ACCORDANCE WITH SECTION A/19.3.7.2 OF THE ISPS CODE

THIS IS TO CERTIFY that at an additional verification required by section 19.3.7.2 of part A of the ISPS Code the ship was found to comply with the relevant provisions of chapter XI-2 of the Convention and part A of the ISPS Code.

Signed: _____

(Signature of authorized official)

Place: _____

Date: _____

³ If applicable

ENDORSEMENT TO EXTEND THE CERTIFICATE IF VALID FOR LESS THAN 5 YEARS WHERE SECTION A/19.3.3 OF THE ISPS CODE APPLIES

The ship complies with the relevant provisions of part A of the ISPS Code, and the Certificate shall, in accordance with section 19.3.3 of part A of the ISPS Code, be accepted as valid until _____

Signed: _____
(Signature of authorized official)

Place: _____

Date: _____

ENDORSEMENT WHERE THE RENEWAL VERIFICATION HAS BEEN COMPLETED AND SECTION A/19.3.4 OF THE ISPS CODE APPLIES

The ship complies with the relevant provisions of part A of the ISPS Code, and the Certificate shall, in accordance with section 19.3.4 of part A of the ISPS Code, be accepted as valid until _____

Signed: _____
(Signature of authorized official)

Place: _____

Date: _____

ENDORSEMENT TO EXTEND THE VALIDITY OF THE CERTIFICATE UNTIL REACHING THE PORT OF VERIFICATION WHERE SECTION A/19.3.5 OF THE ISPS CODE APPLIES OR FOR A PERIOD OF GRACE WHERE SECTION A/19.3.6 OF THE ISPS CODE APPLIES

This Certificate shall, in accordance with section 19.3.5 / 19.3.6² of part A of the ISPS Code, be accepted as valid until _____

Signed: _____
(Signature of authorized official)

Place: _____

Date: _____

ENDORSEMENT FOR ADVANCEMENT OF EXPIRY DATE WHERE SECTION A/19.3.7.1 OF THE ISPS CODE APPLIES

In accordance with section 19.3.7.1 of part A of the ISPS Code, the new expiry date⁴ is _____

Signed: _____
(Signature of authorized official)

Place: _____

Date: _____

² Delete as appropriate.

⁴ In case of completion of this part of the certificate the expiry date shown on the front of the certificate shall also be amended accordingly.

Preliminary Report

Vessel Name: YM TUTORIAL
Work Order: 5611005
First Visit Date: 25-Dec-2022
Last Visit Date: 25-Dec-2022
ABS Office: Busan Port
Audit Location: Busan, Korea

ISPS Audit Report

Vessel Name YM TUTORIAL
Class Number 22278812
IMO Number 9792618
Port of Registry Monrovia
Flag State Name Republic of Liberia
Call Sign 5LFF5
Gross Tonnage 118523
SOLAS Type of Vessel Cargo Ship
ISM Vessel Type Other Cargo Ship
Agreement Company Name FLEET SHIP MANAGEMENT PTE. LTD.
Agreement Company Address 460 ALEXANDRA ROAD #31-01 MTOWER, SINGAPORE, 119963
Singapore
Agreement Company IMO 4115119

The ABS audit team gathered objective evidence of compliance through the observation of daily activities, interviews of crew members, and the examination of pertinent records on board the ship. This information was compared to the existing policies and procedure of the company and the requirements of the ISPS Code Part A, and relevant sections of Part B (8.1-13.8), to determine the levels of compliance obtained. This evidence was documented within the audit team's checklists, notes, examples, and this report. A copy of this report was left with the ship's Master at the conclusion of the verification.

Audit Task	Task Status	Non-Conformities Issued	Observation Issued
Statutory Surveys			
ISPS Initial Verification	<i>Completed</i> Commenced	No	No

Certificate Number	Certificate Description	Certificate Status	Certificate Term	Date of Cert Issue/Endorse	Expiry Date/ Extension Date
22278812-5611005-002	International Ship Security Certificate (ISSC)	Issued	Full Term	25-Dec-2022	24-Dec-2027

Audit Program

The verification began with an opening meeting. The discussion covered the scope and purpose of the audit, the audit schedule and process, and the escort responsibilities. The verification was performed in accordance with ABS procedures and as authorized under the above scope. The ABS audit team gathered objective evidence of compliance through the observation of daily activities, interviews of crew members, and the sampling of pertinent records on board the ship. This information was compared to the existing policies and procedures of the company and the requirements of the ISPS Code Part A, and relevant sections of Part B (8.1-13.8), to determine the levels of compliance obtained. The Audit Plan depicts the departments audited and clauses against which they were assessed.

The verification ended with a closing meeting. The discussion included a review of the activities carried out, presentation of the deficiencies (if any), and review of the notable Observations made during the course of the audit.

NOTE: This report evidences that the survey reported herein was carried out in compliance with one or more of the Rules, guides, standards or other criteria of the American Bureau of Shipping and is issued solely for the use of the Bureau, its committees, its clients or other authorized entities. This Report is a representation only that the vessel, structure, item of material equipment, machinery or any other item covered by this Report has been examined for compliance with, or has met one or more of the Rules, guides, standards or other criteria of American Bureau of Shipping. The validity, applicability and interpretation of this Report is governed by the Rules and standards of American Bureau of Shipping who shall remain the sole judge thereof. Nothing contained in this Report or in any notation made in contemplation of this Report shall be deemed to relieve any designer, builder, owner, manufacturer, seller, supplier, repairer, operator or other entity of any warranty express or implied. This audit report must be retained, by the company, for a period not less than five years and must be made available to ABS auditor(s) upon request.

Preliminary Report

Vessel Name: YM TUTORIAL
Work Order: 5611005
First Visit Date: 25-Dec-2022
Last Visit Date: 25-Dec-2022
ABS Office: Busan Port
Audit Location: Busan, Korea

A copy of the preliminary report, deficiencies and audit observations, if any, were left with the ship's Master at the conclusion of the audit. The final report supersedes the preliminary.

Audit Conclusion

Approved.

Attending Auditor(s):

Kim, Tae-Gyoo

- ISPS initial audit was carried out at Busan, Korea on 25 December 2022.
 - The audit was in no findings
 - Upon completion of the audit, a full term ISSE valid until 24 December 2027 was issued on behalf of the flag admin.
- * This preliminary report will be superseded with final report.

ABS

T. G. Kim
25 Dec. 2022.

ABS Electronic Certificates

Be advised that ABS has made available electronic classification and statutory certificates in accordance with the attached documentation which is in compliance with FAL.5/Circ.39/Rev.2, "Guidelines for the use of electronic certificates," to vessels so authorized by Flag Administrations.

Certificates are published on the ABS online protected Database so that all relevant parties can access the latest certificates from anywhere in the world. The electronic certificates are secured with a digital signature and a unique tracking number (UTN) which can be checked online through the ABS Validation Portal for the public, assuring their validity and authenticity.

While e-Certificates may be electronically stored locally or printed, these copies of these Certs should only be used for reference purposes. The e-Certificate in its digital form is the Vessel's valid certificate.

Any questions concerning verification of this authorization may be addressed to the local ABS office.

ABS Statement of Compliance with FAL.5/Circ.39/Rev.2

ABS advises the availability of electronic certificates and other associated documents in accordance with FAL.5/Circ.39/Rev.2, Guidelines for the use of electronic certificates. This provides that ships may be provided with electronic certificates and paper certificates.

ABS confirms compliance with FAL.5/Circ.39/Rev.2 as follows:

1. *Validity and consistency with the format and content required by the relevant international convention or instrument, as applicable*
 - ✓ ABS' system provides electronic certificates that are completely consistent with the model certificates mandated by the conventions and codes, with the provision of electronic signatures which is the means of authentication of the electronic data by ABS.
2. *Protected from edits, modifications or revisions other than those authorized by the issuer or the Administration*

1701 City Plaza Drive | Spring, TX 77389 USA
TEL: 1-281-877-6000 | FAX: 1-281-877-5976 | Email: ABS-WorldHQ@eagle.org | www.eagle.org

- ✓ ABS' system protects electronic certificates from unauthorized access, edits and tampering by utilizing the Adobe Approved Trust List (AATL) program. This enables ABS to digitally sign documents utilizing Adobe LiveCycle Server and visual trust verification by Adobe's approved third party trust service provider "Entrust". Visual trust indicators show recipients the sender's identity has been verified by Entrust, a trusted Certificate Authority, and that the document has not been altered during transmission. Real-time assurance verifies the authenticity when the document is initially issued and throughout its lifetime.
3. *A unique tracking number used for verification*
- ✓ ABS' system generates and assigns unique tracking numbers to all electronic certificates. Two verification portals have been established:
 1. a portal for authorized Parties associated with the ship (flag Administration and the ship's registered owners and operators) who will have access to verify the authenticity of the issued electronic certificates.
 2. a portal for the public to validate the on board certificates using the unique tracking number or other certificate information (e.g. IMO Number).
4. *A printable and visible symbol that confirms the source of issuance.*
- ✓ Authorized Parties can download electronic certificates which can then be stored in a computer file (onboard), printed or forwarded via email.
5. *The websites for online viewing or verifying electronic certificates are constructed and managed in accordance with established information security standards for access control, fraud prevention, resistance to cyberattacks, and resilience to manmade and natural disasters.*
- ✓ ABS' system and data center is maintained to follow the latest information security protocols and standards for data transmission, access control, fraud prevention and cyber-attacks. Data encryption protects sensitive data in the central repository with secured data backup, business continuity and disaster recovery processes established off-site.
6. *Electronic signatures applied to electronic certificates should meet authentication standards, as adopted by the Administration.*
- ✓ ABS' electronic certificates are digitally signed with Adobe approved Entrust Document Signing Certificates using the SHA-2 signing algorithm for browser compliance bringing greater security and state of the art authentication standards, as adopted by various Administrations.

Very truly yours,

Adam W. Moilanen
ABS Chief Surveyor
